### Longer synopsis

Picnics are a wonderful solution to the things that sometimes hold us back from entertaining when we would like to. No worries about how your house looks, no house cleanup afterward.

From Picnics for One, to Occasion Picnics this book leads the reader through a description of Picnics of Love, Spectator Picnics, Backpack Picnics and Theme Picnics, offering suggestions for How to Choose your Guests, Getting Ready, Settings, Equipment, Wines and other Beverages, and wonderful recipes for each type of picnic.

The Picnic Basket is a well written guide to any kind of picnic and the pages are full of unusual suggestions of entertaining, picnic style.

Quote from the book: *“One day we impulsively called two friends and said, ‘Get your backyard ready! Dress in your fancy clothes. We’re coming with an elegant picnic, crystal glasses, soup tureen, the works.’”*

Who could turn down an invitation like that?
